# **ATTACHMENT 10** Small Business Element

# 1. Objective/Strategies

The City will meet its objectives using a combination of the following methods and strategies:

- 1. Set asides: Where feasible, the City will establish a percentage of the total value of all prime contract and subcontract awards to be set aside for participation by small businesses on FAA assisted contracts. A "set-aside" is the reserving of a contract or a portion of a contract exclusively for participation by small businesses. This requires that the City and its prime contractors/ consultants set aside a portion of the value of each contract for participation by small businesses. A small business set-aside is open to all small businesses regardless of the owner's gender, race or geographic location. The City Clerk and DBELO will review FAA-assisted purchases and contracts to assess the small business opportunities, giving consideration to the size and scope of each purchase or contract to establish the set aside percentage. This set aside is in addition to the DBE contract goals which may be required pursuant to applicable law or policy. In the event that a set-aside is not established on an FAA-assisted contract, the City Clerk and small business officer will document why a small business set-aside is inappropriate.
- 2. Unbundling: The City, where feasible, may "unbundle" projects or separate large contracts into smaller contracts which may be more suitable for small business participation. The City will conduct contract reviews on each FAA-assisted contract to determine whether portions of the project could be "unbundled" or bid separately. Similarly, the City will encourage its prime contractors or prime consultants to unbundle contracts to facilitate participation by small businesses.

# 2. Definitions

A DBE is a business owned and/or controlled by socially and economically disadvantaged individuals including Minority and Women Business Enterprises.

Minority Business Enterprise (MBE) - A business which is at least 51% owned and/or controlled by one or more U.S. citizens who are Black, Hispanic, Portuguese, Asian American, American Indian, or groups found to be economically and socially disadvantaged by the U.S. Small Business Administration pursuant to Section 8(a) of the Federal Small

Women Business Enterprise (WBE) - A business which is at least 51% owned and/or controlled by one or more U.S. citizens who are women.

# 2. Verification

Small Business Documentation - A small business may provide acceptable documentation that their business meets the requires of a Small Business as defined above in Section 26.39, B, 1.

3. Monitoring/Record Keeping

The City will maintain and monitor the records for the Small Business Element and be able to provide those records if requested.

### 5. Assurance

1. Certified DBEs that meet the size criteria established under the program are presumptively eligible to participate in the program;

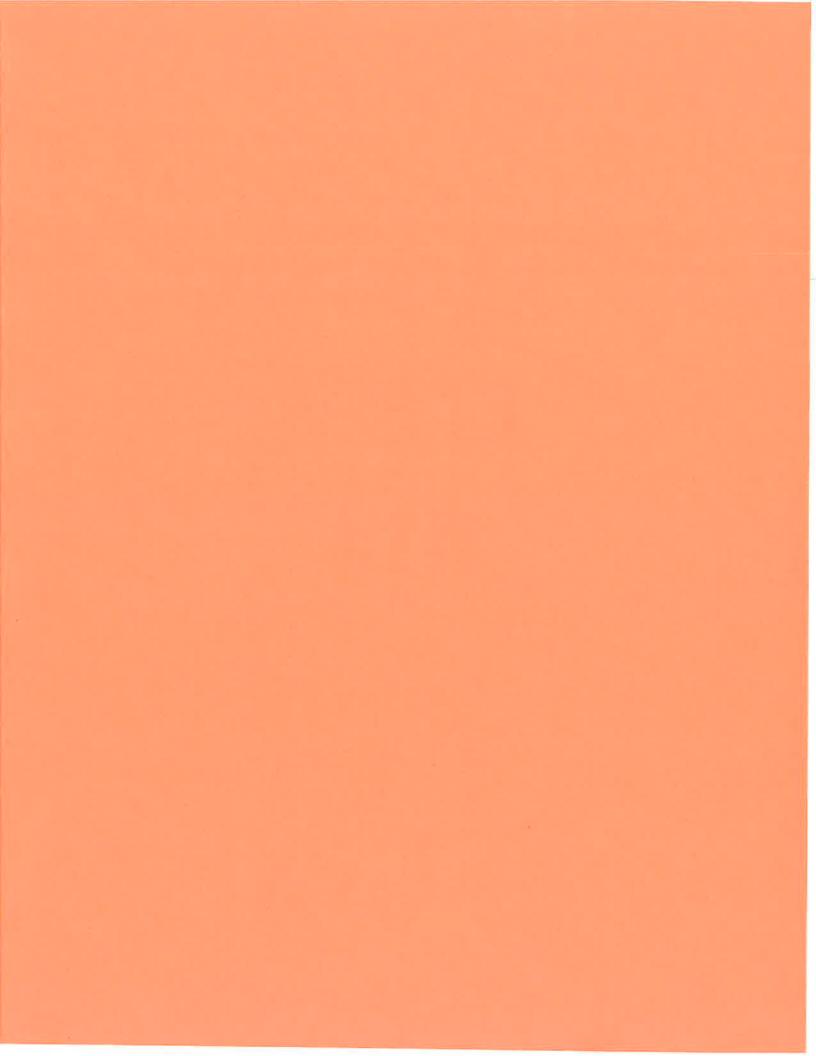

2. No limits are placed on the number of contracts awarded to firms participating in the program, but every effort will be made to avoid creating barriers to the use of new, emerging, or untried businesses; and

3. Aggressive steps will be taken to encourage those minority and women owned firms that are eligible for DBE certification to become certified.

4. The program is open to small businesses regardless of their location (i.e., there is no local or other geographic preference).
